

Monday 23rd September 2019

Dear Parents and Guardians,

Re: Prospective Pupil Open Evenings/ Open Morning

I have been extremely pleased and impressed by our pupils' ability to adapt and apply themselves to the rigors and expectations placed upon them during the start of this new term. Over the next few weeks we begin recruiting prospective year 6 pupils, whilst also advertising a limited number of places available in years 8-10. I would like to draw your attention to the following event:

Wednesday 25th September 6-8pm, In-Year Transition Open Evening. Lock Keepers E3 3JW.

We still have a limited number of places in years 8-10. This will be an opportunity for pupils who are interested in transferring to ELSS to have a tour around our newly expanded Lock Keepers site, meet staff and pupils. Pupils will be asked to volunteer to stay and help out during the afternoon and evening.

I have made the decision to close early at lunch time (2.20pm) on the 25th September to enable staff to prepare for the evening.

Please pass the attached flier on to friends and family which also contains details of other events and our stall at the New Scientist Live Exhibition at Excel Centre between the 10th and 13th October. Copies of our new 2020 prospectus are also available from reception.

Yours sincerely

David Perks

Principal
